**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I live in a rural community where there is little choice for internet service. I have used the local provider for many years and value their service. I only have one other choice and it is more expensive. I don't want to be left with only one choice.
